January

Movie Night

Godzilla V. Kong

Kong and his protectors undertake a perilous journey to find his true home. Along for the ride is Jia, an orphaned girl who has a unique and powerful bond with the mighty beast. However, they soon find themselves in the path of an enraged Godzilla as he cuts a swath of destruction across the globe. The initial confrontation between the two titans -- instigated by unseen forces -- is only the beginning of the mystery that lies deep within the core of the planet.

Joker

Forever alone in a crowd, failed comedian Arthur Fleck seeks connection as he walks the streets of Gotham City. Arthur wears two masks -- the one he paints for his day job as a clown, and the guise he projects in a futile attempt to feel like he's part of the world around him. Isolated, bullied and disregarded by society, Fleck begins a slow descent into madness as he transforms into the criminal mastermind known as the Joker.

Joker 2

Struggling with his dual identity, failed comedian Arthur Fleck meets the love of his life, Harley Quinn, while incarcerated at Arkham State Hospital.

The Wild Robot

Shipwrecked on a deserted island, a robot named Roz must learn to adapt to its new surroundings. Building relationships with the native animals, Roz soon develops a parental bond with an orphaned gosling.
